

ONTARIO
MALVERN LIBRARY

LOCATION

Malvern

COMPLETED

2004

ARCHITECT

Kingsland + Architects
and Phillip H. Carter Architect

AREA

24,500 square feet

DESCRIPTION

Our work on the Malvern Library, part of the TDSB, consisted of a renovation and addition to expand the library's services, and increase its presence in the community. Systems include glulam post-and-beam structures, concrete columns and foundations, fanned compression struts and tongue-and-groove wood deck.
